TERMS AND CONDITIONS OF SALE

Terms are cash with your order unless your credit is established with us. A 25% deposit will hold orders until shipment is wanted. No orders for less than \$5.00 accepted at these low prices.

NO CHARGE IS MADE FOR PACKING, an item not to be overlooked.

Because we have no control over conditions after stock leaves our hands, we give no warranty, expressed or implied, as to the results in transplanting. We exercise the greatest care to keep our varieties true to name and of first class quality and will replace, on proper proof, any stock found untrue or unsatisfactory; but it is mutually agreed that the purchase price is the limit of our liability. Please notify us within five days if stock arrives in poor condition or is not satisfactory, otherwise we cannot consider complaints.

ALL PRICES QUOTED ARE NET CASH and F. O. B. Winona, Minnesota.

When ordering please give shipping instructions. If not we will ship as we think will best serve your interests. If shipment by parcel post is desired, send enough to cover postal charges. Iris orders shipped after July 15th, Peonies shipped after September 1st. It is obvious, however, that we cannot fill all Peony orders exactly on September 1st or any other date. Early orders will be given preference.

PRICES QUOTED ARE NET CASH

PLEASE READ THIS:

We have been growing plants and bulbs here at Winona for 50 years.

All of our Peony and Iris fields were checked during the blooming season and any or all rouges and poor plants were eliminated.

Our soil and growing conditions here in the upper Mississippi Valley are ideal for the proper development of first quality stock.

Our business these last 50 years has been built up by sending out only the type of stock we would like to receive ourselves.

If you have never ordered from us before we solicit your patronage and an opportunity to satisfy you the same as we have countless other concerns and individuals.

GLADIOLUS BULBS

At the present writing, June 15, 1956, our Glads are looking fine, over 60 acres of them. Not a weed in the entire lot and growing conditions are ideal.

We started planting April 15, and finished the middle of May. Nothing but a catastrophe will prevent us from having an excellent crop of bulbs this fall.

Be sure your name is on our mailing list for Glad Prices, which will be mailed to you late this fall, or better still, if you are interested in large quantities write in now for special quotations.
